### **Note from Jean**

Fall is one of my favorite seasons. Love the cool weather (perfect for a walk) and the beautiful colors. Hope we get some much needed rain so the tree foliage will be pretty.

Thanks to Albert for letting us have our annual weenie roast at his house. It's always a fun time. Hope you'll plan to join the gang.

Also, thanks to Richard Johnson for suggesting and sponsoring a jam session at Knuckleheads. We haven't been there since last winter and it's a fun way to spend a Saturday afternoon.

Bo Lyons posted this on FB and thought it was a powerful statement.

"Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around." Remember the least little thing can make another feel much better.
