Note from Jean

Thanks to Freda Waldvogel for volunteering to be president and John Newkirk for vice president we still have a club. As you can see no one had volunteered before election time. Please give her lots of support. Since we don't have an activity chairperson it would be nice if members would volunteer to organize 1 activity. Otherwise it puts a lot of responsibility on the board to come up with things to do.

"The brains of seniors are slow because we know so much. It takes a while to recall something from the giant storehouse of information." Think of a slow computer.

Happy Thanksgiving. Hope everyone enjoys the day with family and friends. Try not to overeat. I'm looking forward to my favorite month, December, with all the lights and fun things to do.
