## Note from John

Thank you, Freda, VERY VERY much for an outstanding job as our last year's President and for stepping up and volunteering to be President for 2024 and keeping the club from folding and for ALL that you did last year to support the club and for already hosting the activity at your house on January 15.

At the first board meeting of 2025 the board voted on a change to a policy. The club will no longer donate \$50 to a specific charity when a club member passes away. The club will send a sympathy card but we will not pass the card around for signatures.

The board also discussed increasing the weekly Mixer dues from \$1 to \$2. Dues have not been increased for many years and the club wants to be able to provide the major Club sponsored activities with no or minimal expense to the club members.

Please let me or any of the board's members know if you have comments or concerns about doing this. The Board will vote on whether to do this based on feedback we get. at the next board meeting.

The Board also discussed membership in regards to increasing it and how to improve attendance at the weekly Mixers. I want to create a Membership Committee of several members to help in doing the above. I have one individual who has stated he would help, but I would hope several others would help him.

Thank You ALL, and Go CHIEFS!!!

John
