Note from John

Thank you, Tom Turner, for hosting the Super Bowl Party on February 9. A very good turnout of 26 Chiefs fans to cheer on the Chiefs and enjoy great food, refreshments, and FUN. There were two potential members (Sherry and Sandie) that attended also. Sorry that the Chiefs couldn't perform up to their standard and get the Three-Peat.

At the board meeting, the board did not vote to increase the Mixer dues. It was decided for the time being they will stay at \$1 until a vote of all active club members is taken. A majority of the membership would need to

approve a change. Please let me or any member on the board know if you have any questions, comments, or concerns about what the dues are used for.

There are several members on our roster that have not attended a mixer in over a year. The board discussed that these members should be made inactive. In addition, any inactive on non-Kosmos member would be removed from Kosmos Facebook page. When these inactive people are removed from the database, there will only be a total of 68 active members. Please contact any club members you know that haven't been to a mixer in 2024 and urge them to attend a mixer or they could be removed from the roster and no longer receive the Kosmos newsletter. Also invite any of your friends that you know who would like to become a member. We're still looking for someone to help create a Membership Committee to help maintain and increase our membership.

I want to give Richard a BIG Thank You for creating an informative membership report and for all the time he spends managing the KOSMOS website.

Finally, there are several words that are VERY relevant to being a club member and maintaining a club.

- Attendance/Participation
- Attitude
- Communication
- Commitment
- Friendship
- Volunteering

I hope to see some faces at the next Mixer that I/we haven't seen for some time.

Thank You ALL, John
