Note from John

We have had some great attendance at our recent mixer!! Thank you all for coming and enjoying time together.

We will not be conducting a voting process to determine if increasing the weekly mixer dues is desired

I spent time calling the members that were identified as being inactive and found that only a few requested to be removed from the active roster. Many requested not to be dropped and planned on coming to a mixer soon.

Please reach out to any members you haven't seen for a while and invite any of your friends that you know that would like to become a member.

I want to give Jerry (our activities chairman) a BIG thank you for his effort to inform members of activities by adding them to the club's Facebook page and also for sending out INVITE emails for activities also.

If you need any help in creating your own activity via the INVITE feature that's accessible on the home page of the KOSMO website let Jerry or me know.
